

FACULTY RESEARCH AWARD

Guidelines:

- 1) Proposals should consist of:
 - narrative description of the research including a statement reflecting the current status of the research if already underway;
 - an explanation of the relevance of the work to the applicant's area of specialization;
 - the assumed benefits of the research; and
 - an outline of the research methods to be employed.

- 2) Selection Committee readers will review the proposals and readers outside the Committee will be solicited as necessary if research does not coincide with the Committee members' expertise. The award winning selection(s) will be based on the overall quality of the project, the relevance to the specialization of the applicant, and the perceived value to the institution or the discipline.

- 3) Submissions should be made to the office of the Vice President for Academic Affairs on or before **February 12, 2010**.

Stipend:

The stipend for the winning project is \$1,500. In the instance in which the Selection Committee wishes to award to more than one submission, the stipend will be split equally.
