Supervisors Have Outing and Clambake at Sand Springs

Labor Day

The Company has announced that all Departments will be closed for Labor Day, September 3. The plant will reopen at regular starting hours on Tuesday, September 4.

Eligible employees, within the six-months' seniority, will be paid for Labor Day as follows:

Employees declared, "There is nothing like a day to enjoy a Clambake. The place was crowded with people wanting to be there. The young lady is unidentified. The Supervisors gather for outing, from left to right: Chick Current, Pete Manuso, Art Van Steemburg, Mrs. Van Steemburg, and Harold Shore. The young lady is unidentified."

Sox Game — The Red Sox, unlike the Yankees, were always there. So they took quite a heckling but it was all in good fun.

One reason Orrie Roy was making so much of his schedule on short notice was that his defense was a number one key. The paint could be seen in his hair. The reason Orrie Roy was making so much of his schedule on short notice was that his defense was a number one key. The paint could be seen in his hair. Toot Bergeron, catcher, Toot Bergeron.

The Supervisors and they had a wonderful time. It looked like a small group at the Clambake for awhile, but the Supervisors soon began to arrive.

Nancy Duppole spent many dimes on phone calls to see if the bake was on. The Supervisors and they had a wonderful time. It looked like a small group at the Clambake for awhile, but the Supervisors soon began to arrive.

There’s saying that you never know if you like something until you have tried it. Art Van Steemburg declared he didn’t like them, and then he tried them. He now is a clam lover.

At 2 o’clock, Kenny rounded up the energetic games for a game of softball. Harold Brafman and Ralph Boisjolie were the team captains, Boisjolie and company went down to defeat, the unofficial score being 15-8. The Supervisors declared, "There is nothing like a day to enjoy a Clambake. The place was crowded with people wanting to be there. The young lady is unidentified."

Fred Scarborough was transferred to Application Engineering.

F. Scarborough Transferred to Application Engineering

Fred Scarborough has been transferred to the Application Engineering staff. Carroll Killen, of Application Engineering, has announced that Mr. Scarborough will assist in coordinating filter problems.

Before his transfer, Fred Scarborough was in charge of the Network and Filter Development Laboratory, reporting to Mr. Fred H. Potter, Factory Manager.

Walt Schroeder Acknowledged Winner of First Sprague Electric Golf Tournament

The first Sprague Electric Golf Tournament was held at the Taconic Club in Williamstown on Sunday, August 3. The sun shone brightly on almost 30 Sprague Electric golfers participating in the Tournament.

Although Walt Schroeder did not turn in a birdie in the first round, he is the acknowledged winner of the low gross with a sizzling 81. In view of Walt’s not turning in a birdie in the first round, he is the acknowledged winner of the low gross with a sizzling 81. Walt Schroeder.

A Tournament Committee composed of Harold Carson, Ralph Fressola, and Joe Testa, of Application Engineering, and Bill Phelps, John Ortman, Sid Ross, and Bill Phelps, John Ortman, Sid Ross, and Norm Schulze, Chuck Blouin, and Charlie Dean (it’s his favorite sport) were the team captains.

The committee and chief, Red Lewis, took quite a heckling but it was all in good fun and he did a fine job.

The relay and tug of war were held, but the bake was on at 4 o’clock as scheduled. The relay was an electric saw race and it was won by Phil Tallarico, (The donor of this prize wished to remain unknown.)

Under the able guidance of George Giansiracusa, the bake was a great success. The Clambake originally had been scheduled for the 16th, but it was brought up a week and George revised his schedule on short notice and did a wonderful job of it.

Sprague Electric golfers were herded to the tee by the Clambake organizers, but the Supervisors were not at all put off by the ballyhoo.

Sprague Products Beat Electrics 10-4 in First Game of Softball Championship Series

Semacs Lose to St. Mary's in Little Bigger League

St. Mary's of Pittsfield won the third and deciding game in the Little Bigger League series with Sprague Electric defeating our team, R.I. 13-4. Bennett of Pittsfield let the Sprague Electric team down with one hit, a single by Allen.

The Pittsfield team scored six runs in the first inning and there was little question about the outcome after that. Two hits, three walks, and an error charged the runs. A single by Chapman was the only hit in the second when one run was tallied. The fourth and final run came in the fourth on two errors and a wild pitch.

Allen, who made Sprague Electric's only hit, scored in the second after getting his bungle with the help of an error and a fly by Vailliers. Sprague Electric pushed across two runs in the second through the unusual combination of three walks, three passed balls, and a hit batsman.

R. Superneau did the tossing for the Sprague Electric club.

Bigger League series with Sprague Electric ended in the same way it has started. The Products won the game of the 2 out of 3 series to decide the Sprague Softball Championship, beating the Electrics 10-4. It was a well played game with very few errors being charged. The Products led all the way scoring three in the first, two in the second and then added three more in the fifth. Newkoty went all the way for the Products to gain the victory with a great inning in the fifth.

O'Neill honored for the Electrics while Lavigne and Wood connected for the winners. The summary:

Sprague Electric Company.

North Adams Independent Softball League has been organized in North Adams and Normal Aces, and the Sprague Electric Company, Store, Ken's Service Station, Duguay's Variety Store, and the Sprague Electric Mess offer to play for those who do not have the purpose of providing an opportunity to play for those who do not have the time for playing regular baseball or Softball.

The Sprague Electric Team Wins First Game in Newly-Organized City Softball Loop

A new softball league known as the North Adams Independent Softball League has been organized in North Adams. It has been organized for the purpose of providing an opportunity to play for those who do not have the time for playing regular baseball or Softball.

The teams are Ameen's Variety Store, Ken's Service Station, Duguay's Plumbing Company, Rohale Oil Company, Normal Aces, and the Sprague Electric Company.

The Sprague Electric team won their opener defeating Ameen's Variety by the score of 16-11. Ameen's score first blood scoring 4 runs in the opening stanza but the Electrics balled back with 5 in the second and 4 in the third to take a 7-4 lead. Samia and O'Neill divided the pitching chores for the winners while Gould and Markland used the rubber for Ameen's. Home runs were hit by Kronick of the Electrics and Mancini and Schmidt of the Variety Store. The summary:

Pittsfield All Stars win the Western Massachusetts Little League title by beating Northampton, 6-1, at Little League park.

Pittsfield will represent this area in the state playoffs at Southbridge which will determine a regional representative to the World Series at Williamsport in a couple of weeks.
Management Club Clambake Draws Large Attendance...

Marshall Street News

Round Midget Assembly by Anon

Vacations are still very popular in the department, and some very beautiful autumns were brought back — also a few sunburns — but all report a good time.

James Borer is at Hampton Beach, New Hampshire, with his family and we all hope he has a very good time. Rita Danziti is enjoying herself at her sister's in Springfield.

Anne LaRocque is attending the full games at Boston, hoping the Red Sox will win. Clay Shoemaker is attending the races.

Don't lose your shirt, is my advice to you, Cell. They get me at Narragansett, Congratulations to Alice Moonas, on the birth of her first grandson, born August 10. The father, Leo Moonas, is a former co-worker. Needless to say, Alice is very happy. Alice also made her first trip to New York City and had a wonderful time.

So long to Nancy Sanzi, Josephine Colenfalda, Emma Gentile and Lucy Montanini, who have gone back to Brown Street. It was nice knowing you. To Alice, we say goodbye.

Helena Modena has returned from a motor trip to Washington and Virginia. VJ Leesman's son, Richard, who is in the Army, is home for furlough and, on his return, expects to leave for Korea on September 1.

Norma, not Emma, Skoropcki was presented with a birthday cake by her co-workers. Needless to say, Pinkie was surprised.

Congratulations to Emma and Paul Onderka on their 26th anniversary. Our best wishes for a long life together. Hope you like our gift.

Paper Rolling by Larry Hizer

Mike Gagliano and Pat Maza enjoyed their vacations at home.

Bill Pratt and his family enjoyed their vacation at New London, Connecticut.

John Raby spent two weeks of vacation working on his house.

Joe Vitro has been honored with numerous stag parties this past month. He was married, Saturday, August 13, to Miss Betty Jean Cole of North Bennington, Vermont.

Small Order 5 by M. and N.

**Supervisors Hold Clambake...**

Despite a rainy day, many Supervisors and their families attended the Clambake and had an enjoyable time.

**Industrial Oil Rolling by Erminia Sweeney**

Vacations are pretty nearly over for most of us. Margarette Walsh spent her time in Plunkett's Hospital having an operation on her wrist.

Welcome back, Don Basinger.

Back from vacations are: Lena Nicola, from Virginia; Helen L. Shields, at home; Mildred Keaten, from a tour of the northeastern states; Frances Praniok, at home; Alice Lennny, at the beach; Vic Hamilton, at the beach; Dorothy Dumas, at home; Alice Guisti, here moving at home.

Congratulations to Rita Zito on the birth of a son.

Marie Dargie is back at work after the birth of a grandson.

Credit goes to Henrietta Langlois, who comes from Pownal without losing even a peeling.

Hello, Frances Miles and welcome back.

Our sincere sympathy is extended to Barbara Ouellette, Janet Roy, and Millie Ouellette, who have just returned from their vacations.

**Industrial Oil Stacking by Ann Heath and Lydia Lewis**

Winnie Emeary has returned home from the Springfield Hospital where she underwent an operation. She's fine now. Good luck, Winnie.

Congratulations to Grandmother Champeau on her new grandson.

Welcome to Martha Bemid and Dorothy Boueher. The children and the man in the foreground are unidentified.

**Industrial Oil Final Assembly by Belle Fuller**

Glad to have you back with us, Mary Barrett. Mary has been out of the office for a couple of weeks. She isn't the same without you. Hurry back to work soon.

We have a very nice co-worker with us for awhile. He is Check Inspector Norman Nowell and he hails from the Beaver Street Plant. Hope you like working with us as much as we do with you.

Malvina Brossow and Evelyn Davis are back at work with us. They have been out because of illness.

But Erodski has come back after enjoying his vacation in sunny California. You look fine with a tan, Dorothy.

**Industrial Oil Rolling (Nights) by Justine Miner**

Congratulations to Grandmother and Grandpa Bertha and Bert Raymond whose daughter, Rita Zito, had a baby boy on August 5.

Phyllis King celebrated her thirteenth wedding anniversary on August 4.

Francis Dargie celebrated his birthday, August 8, with four birthday cakes.

The girls have been enjoying vacations.

Welcome to the new girls, Frances Roy, and Gus Boueher. The children and the man in the foreground are unidentified.

**Know Your Foreman**

Of the many people at Sprague Electric who enjoy fishing, and there are many excellent fishermen here, George Hall is probably one of the most expert anglers. George goes fishing at every possible opportunity. He likes the Deerfield, goes to Lake Champlain, and even tries his luck as far afield as West Virginia. He especially enjoys trout fishing, and, like so many sportsmen, does not eat what he catches.

A Foreman in the Machine Shop, Mr. Hall has been with the Company since 1942. And all of that time has been spent in the Machine Shop. His first job was as a tool maker at Beaver Street. He then went to the Brown Street Machine Shop and for a number of years acted as Supervisor. In October of 1946, he became Foreman in charge of the Brown Street Machine Shop. Now, his duties take him to the Beaver and Marshall Street plants as well as Brown Street. Mr. Hall has charge of the repairing done on machines and follows up jobs to be sure they are done correctly.

Mr. Hall's muchinterest experience started with the American Pin Company in Waterville, Conn., where he learned the toolmaking trade. After seven years with the American Pin Company, Mr. Hall moved back to Massachusetts and went to work with Bower Bros., the local automobile agency, where he was Foreman of the Service Department. He was with the concern in Pittsfield for several years and 18 years with them in North Adams. Born in Monson, Mr. Hall grew up in Palmer and Ashley Falls. He now resides with his wife at 15 Bradstreet Street.

**beaver Street News**

**Bathtub Assembly (Balcony) by Marie-Rose LaFlamme**

July and August seem to be very popular for vacations in our room. Jeff Barry spent his at home taking daily trips and going fishing.

George Hall went to Virginia to see his son, who is stationed there in the Navy.

Muriel Berlins is spending her vacation in Virginia visiting relatives and friends.

Alice Babula didn't enjoy her vacation too well. Of course, we can understand the community. She's had a much fun moving. Let's hope next year you have a better time. Hope you will soon be settled in your new apartment.

Hazel Marten spent her vacation at home just relaxing and enjoying a house full of company.

Leonard Gaul just recently returned from his week's vacation spent at home, catching up on some well deserved rest.

Norman Wright spent his vacation seeing Niagara Falls and Canada.

Eddy Diolato spent his vacation fishing the Berkshires.

Jeanette Oleskiewicz has left us for awhile to join her husband, who is stationed at Camp Pickett, Virginia. Hope you will enjoy yourself while there, Jeanette, and drop us a line if you get a chance.

We welcome Starcia Ordyna and Lilian Grande to our department. A belated welcome, girls, but better late than never. Welcome also to Teddy Haggart.

Glad to have you back with us, Alice Chouinard.

Our sincere sympathy is extended to Mildred Bathurst on the death of her father.

Our deepest sympathy to Agnes O'Grady on the death of her grandmother.

**Paper Rolling (Day Shift) by Margaret Dague**

Vacation, vacation. Everybody's looking forward to this. This week are Roseanne Vigno, Mary Templeton, Irene LeFleur, Ann Michalowski, Fanny, Evelyn Kurock, Millie Wandelie and Millie Mativi. The girls are happy to have you back in New York City to be with them on your vacation.

Eveline Leitner has put in a month's furlough. This time sure has put a spring in Rose's step and a smile on her face. We are all happy for you, Eveline.

William Arundel and family are vacationing at Hampton Beach.

**Paper Rolling (Night Shift)**

Alice Major has returned to Adams. We hope you like your new apartment, Alice.

Phil Nimmons has just returned from a week's vacation. How are things at the North Pole?

It seems that Lucjeta Smith got along fine on her vacation and even got a chance to take a look at the St. Lawrence River on her vacation. We are awfully glad you got to shore in time.

Millie Summers went to New York City over the week end. Bet you had a good time.

Irene Bergendahl is out sick. We hope you'll be back soon, Irene.

We want to welcome back Martha Outelle, Janet Roy, and Millie Michalski, who have been out on sick leave.

Barbara Davine's daughter is ill. We hope she gets well soon, Barbara.
For the Cook... Spotlight on Summer Menus

Planning luncheons is a bigger job, now that vacationers are here. A hungry tribe of youngsters, and sometimes Father himself, troop in for a hot meal.

Menus featuring tasty sandwiches and cold, refreshing salads are recommended for summer lunches. Such menus are easy to prepare, thrifty, nourishing and appealing.

Use this basic menu plan two or three times a week by serving special luncheon dishes and casseroles, or hot breads and hearty salads. These meals can be varying at both time and money, if work for two or three meals is coordinated and communal recipes are chosen.

For instance, today's recipe for an All-Purpose Yeast Batter can provide you with witty entrée one day, a fragrant roll or coffee cake the next. The yeast-leavened batter is an easy-to- prepare affair and requires no kneading. After it has risen until light and fluffy, stir down and store one-half of the refrigerant in use. Use the other half to make a Skillet Meat Pie which resembles the popular Italian Pizza in looks and flavor.

The yeast batter extends more expansive protein foods like meat and cheese, and supplies protein of its own. Its enriched flour base also contributes essential B vitamins and food iron, making enriched breads a nutritional asset to any menu.

Cut the Skillet Meat Pie into wedge-shaped pieces and serve with a chef’s salad, garlic dressing, and milk or coffee. Cookies from your lotuslock make a simple dessert.

The following day remove All-Purpose Yeast from refrigerator and set aside to make Nice-And-Sticky Coffee Cake. After applying nut-and-sirup topping, let rise until doubled before baking. Serve this good coffee cake warm for luncheon with fruit gelatin ring filled with cottage cheese. Mugs of cocoa complete the simple meal.

All-Purpose Yeast Batter
1 package yeast, compressed or dry 
1 cup milk 
1 teaspoon salt 
1 cup softened flour (about) 
1 cup shortening 
2 eggs 
3 tablespoons warm in yeast water. Scald milk. Add sugar and salt and cook to boiling. Add 2 cups flour and beat well. Add softened yeast and milk well. Add shortening and eggs and beat well. Add enough more flour to make a stiff batter. Beat thoroughly until smooth. Cover and let rise in warm place (80° to 85°F.) until double (about 1 hour). Use half the batter to make Skillet Meat Pie and the other half to make Nice-And-Sticky Coffee Cake. If preferred, stir batter down and store in refrigerator for future use. This batter is suitable for easy yeast roll and coffee cake.

Makes 1 coffee cake.

Skillet Meat Pie
recipe All-Purpose Yeast Batter
6 ounces thinly-sliced meat (can) 
1 cup cooked peas 
1 cup tomato sauce (1 8-ounce can) 
1 teaspoon dry mustard 
1 teaspoon salt 
1/2 teaspoon sugar 
1/4 teaspoon paprika 
1 tablespoon chopped pimiento 
1 tablespoon grated cheese 
Sliced pickles and olives

Sardine Sandwiches
Vinegar or lemon juice 
2 tablespoons prepared mustard 
2 tablespoons salad dressing

Sliced pickles and olives

Fish lovers will go for Toasted Sarlade Sandwiches. Serve them with beer tea and a vegetable-gelatin salad. Chilled watermelon is a good desert choice.

This luggage trailer owned by Yvette Dubois, Caterines was built by her husband, Harvey. The Dubois family plans to travel to Colorado by mid-September and their trailer will be used for the first time then.

Pearl McCue is vacationing at Hampton Beach, New Hampshire. Alice Nichols has returned to work after a week’s vacation. Both enjoying their vacation away from home.

Wire Coating Celebrates 10th Anniversary Department Member Reviews History

by Betty Danow

The Wire Coating Department at Brown Street will celebrate its 10th birthday during the last week of August. The first spool of wire recoated on the Number 1 machine was routed August 31, 1942.

During the first week of September, 1942, the first female machine operator was hired, the former Olga Summer, now Mrs. John Ketner. Since the wire coating was an experiment, everyone was curious to see if women could learn the operation. Visitors asked our Foreman, "Do you think your operators can learn how to run these machines?" We struggled together and by the following spring, we had 10 machines operating.

In those early days, we worked our first Thanksgiving and Sundays. Mr. B. C. Sprague visited our department the day before Christmas, 1942, to wish us a Merry Christmas.

We were driven hard, but there were one for purpose and respect the cause. Our boys were fighting in the war and it was up to us to help.

The first Supervisors were Wilfred Muldowney, our Foreman.

Important Changes Made in Social Security Law

Important changes made in Federal Old Age and Survivors Insurance by the 1932 Amendments to the Social Security Act will go into effect as shown below.

Payments will be increased beginning with the September checks which will be in the mail October 5, the regular delivery date, but if in a few cases the increase doesn't meet the mailing schedule, the regular check will be sent and the difference made up in a later sheet.

Under terms of the law, most families will get an increase of about $50; some will get less, some will get more.

Beginning September 1, the new law increases by $75.60 a month from $96.

News About Your Social Security

Three out of every four jobs now are covered by Old Age and Survivors Insurance.

Sixty-two million people now are covered by Old Age and Survivors Insurance.

Three out of every four mothers and children in the United States have been brought under Old Age and Survivors Insurance.

Two out of every five people age 65 or over who are not working receive old-age benefits.

Scarborough Given Farewell Party by Department

On August 12 at Pete Duke's, the members of the Network and Filter Development Section were hosts at a dinner party given in honor of Fred Scarborough on the occasion of his transfer to the Sales Engineering Department. John Campbell served as master of ceremonies and dancing and group singing were enjoyed during the evening.

Fred received, most eloquently and graciously, the gifts which were presented as tokens of our gratitude for his wise guidance in the past and as symbols of our faith in his future. It is with a most sincere feeling of loss that we bid him our farewell.

But, on the other side of a farewell, there lies a bright and promising wonder which we welcome. We would like to take this opportunity to formally extend our welcome and best wishes to John Middoway.

Picnic Party Held Honoring Ida Barber

by Amy Gregory

A picnic party was held by the girls of the Payroll, Cost, Factory Accounting and Tabulating departments at the Scarborough Picnic Grounds on Wednesday evening, July 30.

Mrs. Ida Barber, in whose honor the picnic was given, was presented with a bouquet of flowers, a callugim and bag suitable and pink and blue shower gifts. Ida is employed in Cost Accounting.

After the presentation of the gifts, the girls played baseball. A pleasant evening was enjoyed by everyone.

WAF J. Roy Due for Leave on Completion of Training

WAF Jeannette Roy, stationed at the Francis E. Warren Air Force Base in Cheyenne, Wyoming, is expected to complete her training period there on August 18. After completing her WAF schooling, Jeannette will probably be detained on the base from five to ten days, but will be home on furlough either by the end of August or the first part of September.

While stationed in Cheyenne, Jeannette and her classmates were given three days off to attend the Frontier Days celebration in the city.

Jeannette left Dry Rolling Assembly and refreshments. So hop aboard and enjoy the music, games, Bingo and refreshments. The Readsboro Band will be in the line will be increased for the first time in over 15 years and the sales department will be open for the first time in over 10 years.
