Leon Podolsky Attends On World Standards For Telecommunication

Leon Podolsky, Manager of the Field Engineering Department, left early this morning for a conference in Schwenkfeld, Holland. Mr. Podolsky is one of 15 American technical experts who will work with delegates from nine other countries on the establishment of new world standards for electrical components, and new methods of testing.

The International Electrotechnical Commission will have a ten-day meeting starting September 3. At this meeting, Mr. Podolsky will be representing the U.S. National Committee, which is associated with the Electrical Standards Committee of the American Standards Association. He will be working in the group responsible for setting international specification standards and test methods for electronic components.

Other countries represented at the Commission are Belgium, Holland, France, Sweden, Japan, Italy, Switzerland, the United Kingdom, and India.

Mr. Podolsky is a member of the American Institute of Electrical Engineers, the Institute of Radio Engineers, the American Association for the Advancement of Science, the Armed Forces Signal Association, the Armed Forces Chemical Association, and the American Ordnance Association. In addition, he is a member of the Electronic Components Committee of the Institute of Radio Engineers, the Institute of Electrical and Electronic Engineers, the Armed Forces Research and Engineering Department, and the National Committee on Electrical Standards. He is also a member of the Armed Forces Research and Engineering Department, and the National Committee on Electrical Standards.

Leon Podolsky has been awarded the International Electrotechnical Commission Medal for his contributions to the field of telecommunication.

Sprague Electric Wins First Half in New City Softball League

An independent City Softball League has been formed. The Sprague Electric team, coached by Ace Bannon, joined this new league and immediately went to town and won all of their games in the abbreviated first half. Winners of the first half, the Sprague Electric boys are anxious to get back to ball honors as well as win the crown. However, just recently, in fact, the Condors boys met their first defeat in a big way.

More on this League in the next issue.

Adams and North Adams 3 Lose in Softball Tournament

The Massachusetts Amateur State Championship games have come and gone. Both the North Adams and Adams clubs were eliminated. Dean Cafe and the local Merchants were downsized by easier clubs. At this time, the Dean Cafe and Merchants are engaged in a best four out of seven series against the Bayview Cafe.

An orchid to George Benoit, Manager of the local Merchants, who sincerely hopes that it is possible to have our home city and Nofield field the district of this annual affair. The Merchants are strong with many spectators who witnessed the games.

As we have stated previously in this column, softball players in this area do not mean the caliber of pitching or have the eastern part of this state. This was amply proven by the low scores some of the games. The Ballparks and great pitching made the ball games more colorful.

Our City Softball tournament, a big play on WNNJ as usual had their sports wires humming. I know that many of you had been guests. It was a shame to see a little lemon peel in it, Sirs.

The Marini addict was outraged. "Say," he barked, "If I wanted a lemonade, I'd ask for it."

The number of times the average man says "No" to temptation is once weekly.

We can tell you one thing. If you get a black eye today, you'll find it a lot cheaper to see a doctor than buy a piece of beefsteak.

A young city lawyer was about to vacation with his family at their country cottage. But one thing plagued him. So many friends and relatives had visited him at his cottage in previous summers that his budget had snapped and rest was impossible. With this in mind he wired 30 people who had been his guests and asked if they would be willing to contribute something for their vacation. Need $800 badly. Please forward same immediately."

In all he harvested 30 new alishes which he read with relish while enjoying his first vacation in years.

Williams College Football Squad in Training For Season Which Includes 5 Home Games

On Labor Day morning, the first official workout was held for the Williams football squad under the coaching of Coach Len Walters. More than 50 candidates reported, and among them 28 lettermen. Some new names, young and strong, are promising and some 25 are going to make the veterans work to hold their spots.

Workouts will be daily from here on until the opening of the season. The opener is set for September 27. Coach Walters will again have as his assistants Line Coach Frank McCormac and Backfield Coach Al Shae. The Freshman squad is handled by Bobby Rondeau.

The Ephs won seven and lost one last year. After dropping their opener to Harvard, they picked up the rest of the season undefeated.

Lost to the club through graduation are Paul Crowl, clever quarterback, Callahan and Callaghan, two of the best small college ends ever seen in New England. Captain Saltsman rated to the Little All America, and blocking Johnny Kuhn, halfback. The Ephs opened the season with a 24-0 shutout of Union College. The quarterback slogan was "FOLLOW THE PURPLE.

Williams College Football Schedule

Sprague Wins First Half of Little Bigger League

The Little Bigger League is just about over for this season. The first half honors were taken by the Sprague City Softball Club Team. This team is now in a play-off with the Moose for the second half honors. If the Moose wins the play-off, then the championship games for the crown will follow between these clubs.

This was the first time that the Little Bigger League has been in this area and, all in all, the League is here to stay. True attendance was not up to expectations and headaches were had in the organizing of this League. However, behind these officials, we feel the League will pick up and continue with probability will have a home field for all its games.

Rotary Team Second-Time Winner of Little League

The Little League has just finished its second year of existence here in North Adams and was again a complete success.

The Rotary Team, coached by George Gomeau, won the pennant for the second straight year.

The team sponsored by the Police Department was a fighting contender all the way.

Because our local paper has carried all of the statistics and highlights of the League, this column will just say—"Thank you for the sports fans of this city we thank you for again giving the youngsters from ages 8 to 12 the opportunity to play baseball under wise guiding hands.

Sprague Moduline in the High Sierras

A Sprague Moduline Transmitter located on a Pacific Gas and Electric Company pole in New Auberry, California. The Moduline installation is located in the foothills of the Sierra Mountains at the Southern end of the “Mother Lode” country. The small towns and hamlets which are monitored by the Sprague Moduline System are now remnants of roaring gold mining camps which sprung up in the 1860’s as the news of the third great California Gold Strike spread across the nation.

“Heating Up” a Modulator Installation. Making a hot connection to a 14000 volt circuit requires special skill, special tools, and smooth coordination between the two men on the pole.

View of Sprague Moduline Receiver installed in the substation of the Kerchoff Power House.

The tramway connecting the Power House on the bank of the San Joaquin River with the shops and service buildings located at the top of the steep rise. All Sprague Electric equipment installed in the power house was transported on this open air elevator.

The Indicator Portion of the Sprague Moduline System is installed in the operating gallery of the Kerchoff power house. By observing the Indicator, the power house operating personnel can tell at a glance the condition of monitored distribution lines energized by the three 18000 KVA Hydro-Generators located on the main floor of the power house.

“Hi-ho, Hi-ho. It’s back to work we go.” The job: Installing a Sprague Moduline Modulator. The time: 8:30 a.m., May 28, 1952. The place: California’s San Joaquin Valley. The temperature: 104°F.

Hi, George LeSueur, Kenneth Roy, Robert Bury, Shirley Sylvia, Frank Lorring, Rita English, Dawn Smith, Sandy Pazsichnik, Peg Fillert, Ada Bagliani, Norma Toscos, and Janie Hayden. Hope you'll all be with us for a long time.

It's farewell to Marlene Sommer, who is leaving for school; Ann Gugener, who is leaving to teach school over in Williamsport; Mary Ann Wildman, Alisa Smith, and Eleanor Redder, who are also going back to school; and to Florence Skinner, who'll miss each and every one of you.

Mr. and Mrs. Raymond Lamouroux are the parents of a girl, Paula Christi- born, August 7, 1952.

Mr. and Mrs. James Crawford are the parents of a girl, Shirley Ann, born August 1, 1952.

Ann Clackiss recently received a lovely diamond.

Lola Arzillo was married on August 30 to Carl Corman.

Lucile Tondreau was married, Aug- 30, to Charles Heinrich. Best wishes to all.

The following people have been en- joying their vacations: Fran Melito, New York; Rockaway Beach, and Jones Beach; Joan Reesel, New York; Rock- away Beach and Jones Beach; Ann Beardon, Cape Cod; Bill Martin, Cape Cod; Harold Farnum, Cape Cod; Mary Mirante, at home; Hazel Goodale, at home; Joan O'Hearn, New York; Joan Andrews, Virginia Beach; Russell Mas- che, at home; Dave Puppillo, Atlantic City; Ed Casinol, at home; Ernie Purgus, Cape Cod; Bob McPherson, Connecticut; Ernie Mason, Boston; Loyda Fitzpatrick, New York; Pat McCann, Cape Cod; Joan LaFerre, Cape Cod; Nancy Barber, Cape Cod; Jean Gingras, New Mexico; Marion Matney, at home.

Alfred Bourdon is spending two weeks with the National Guard at Fort Drum, New York.

Clara Bond is enjoying a week's vaca- tion at Stockbridge.

The party brought out some excellent dancers. Mr. Wilson is the best polka dancer in Northern Berkshire. His polka with him and you're in a whirl. He literally sweeps you off your feet. Joe Veneman has a good deal of fineness. He danced Jersey style, but we told him the good old Massa- chusetts style was good enough for us. Karl Wutholen did the best waltz, for he comes from the land where waltzes are famous.

Mary Martin had Enio Piana, but we have no complaints, but aren’t we lucky.

Mac Riedel is running for Parlia- ment. She's quite a speaker.

Hi, George LeSueur, Kenneth Roy, Robert Bury, Shirley Sylvia, Frank Lorring, Rita English, Dawn Smith, Sandy Pazsichnik, Peg Fillert, Ada Bagliani, Norma Toscos, and Janie Hayden. Hope you'll all be with us for a long time.

George Maxwell is a proud dad, for his daughter has just passed her nurse's exam in Boston and is officially an R.N. Congratulations to both George and his daughter.

Welcome to our new check inspector, Howard Cyprian, and to Mr. Dennis Wise, who is working in Ceramics on the second shift. Hope you like working with us.

Lee Grifel and Jean Martin are back from their vacations. Jean spent her's in Canada and Lee spent her's at home with her daughter, Donna.

Mr. Wilson has returned from his vacation spent at Hyannis, broke but happy. Well worth it, she says.

Our engineer, Karl Wutholen, put in hours working the country side.

Loretta King is having her vacation and is turning amateur painter. She's going to help paint her house.

Yvette Dubois is going to make her trip in Arizona. We wish you a pleasant journey.

To Jeannette Masson, Anna Storrer, Celia Seatowskey, Lorraine Kells, Norma Lucier, and the rest of the Rocky girls, we say good-bye, for they are being transferred. It was nice knowing you.

George Fontaine is quite the man — he just finished painting his house.

North Adams has added two more to its population. Mr. and Mrs. Frank Remy have moved to an apart- ment on North Holden Street.

George Oren now has a Man Friday in Wall Estates.

Our engineer, Karl Wutholen, is not only an expert craftsman in ceramic art, but is also a better than average photographer.

We are very sorry to lose our check inspector, Bob Nagle, who will be leaving us soon. We wish him the best of luck in the world. He has been a wonderful co-worker and friend.

Bob Nagle was given a farewell party at Pete Dunks, August 31, by the Ceramics and Ceramic Lab. Bob was presented with a purse of money. Everyone looked grand in their party finery and enjoyed themselves very much.

Birthday greetings to Flo-Marie Grew. Also, best wishes to her and her husband on August 28, their thirty-sixth anniversary. Many more happy years to you both.

Birthday greetings to Doris Gug- ener and Agnes LaToche. They were presented with very pretty cakes in their honor at their vacation. The cakes were delicious.

Jimmy Boner was also presented with a gift from the assembly line. He and the two birthday girls celebrated their birthdays while away, all together.

At the same time the present vacations are: Betty Berger and Esther Poplaski, New York City; Peggy Bush, parts un- known; Dolly Rewest, at home; Mary Farnon, Lake George; and Bob Cutler, Montrose, Canada.

Edith Roy in on the sick list. Get well soon, as we all miss you, Edith. Nana Meyzyrov is planning to spend the week end in New York with her family.

Ora Boyer went to Boston for the Yankees-Red Sox game. A speedy return to good health to Mrs. Doreta Blanchard, mother of Doris Guadette, who is in the Albany City Hospital.

James Boner attended the Frolic at Salisbury Beach and got quite a kick out of seeing Dagmar of TV fame in person. Too bad, Jimmie.

Vacations are still going strong: Ruth Hasbrouck, Willard, N. Y.; Bertha Roy, at home; Marty Albini, at home; Florence Siciliano, Schen-ectady.

Lots of luck to Grace Sherry's daughter, Ann, who started training at St. Luke's Hospital. I am sure Anne will make a good nurse.

I wonder what would happen if: Mabel O'Grady was first in line for breakfast.

Part Kime stopped reading comic books.

Glady's Griffin and Ethel Bassett are roommates.

Jannie Nadeau didn't smile.

Bertha Roy didn't say, "Good morning." Marjorie Richer wasn't good natured.

And I didn't get my news in on time.

George Lincoln spent most of his vacation visiting his son, Charlie Lincoln Jr., who is stationed in Bain- bridge, Maryland. Charlie celebrated his twenty-third wedding anni- versary, August 21. Congratulations, Charlie.

Johnny Aldrich spent his vacation in New York City, Milford, and Hampton Beach, New Hampshire.

Bob Sarkisian just returned from a week in Canada. Bob said he did nothing but rest. It was a well deserved one, too.

George Remickul spent his vacation in Ashfield, Massachusetts, where, he said, "even the fish were on vacation. Nothing to do, George grew a mustache. Hi, Clark!"

Bill Leeming, who has retired to Saratoga for his vacation.

East of all to return was our Flemington, DeGregorio. George's only definite plans were to see a couple of Red Sox games. We hope he did.

It's already good bye to Don Briefly, who has returned to Drury High School for his senior year. See you again next July, Don.

Nice to see Janet Johnson back at work after a month’s absence on sick leave. Vacation time is fast passing us by for another year. Ralph Lewis traveled to Canada. Margaret Todd visited her daughter in Washington, D.C. Blanche Tantrum took a trip downtown. Dotty Newman was at camp, and Jean Lewis camped at Bonnie Eagle, Maine. Blanche Cable is really proud to be a Grenada Congratulation. Betty Chevalier recently celebrated her birthday. Best wishes, Betty. Rita Brooks sure loves her baseball, especially the Red Sox. She has traveled to Boston a few weeks earlier. Our co-worker, Julia Sullivan, is feeling better. We all hope to see you back with us soon. Bobby Clark is sporting a new haircut, and cut it. Now wonder he was a bit his first day at work with it. He is at Camp Drum with Company K for two weeks. Hurry back, Bob. We all miss you.

Levyn will celebrate her seventh anniversary on September 7. Best wishes.

Rose Murray is spending her vacation in New Hampshire. After getting acquainted with her new granddaughter, she will happen to hear someone trying to hit high C, at our entrance room, it will be none other than our song bird, Miss Shirley Paglione.

**Social Security: Benefit Payments**

Benefit payments, whether retirement or survivors, monthly or lump sum, are not made automatically. An application for benefits must be filed before the lump sum can be paid or the monthly payments can begin.

Back payments due, when an application is filed late, may be made for as much as six months, but no more. The lump sum may be paid only if an application is filed within two years after the death of an insured person.
