Summer Student Housing Program 2009

Monday, May 25th - Saturday, August 15th

Residential Programs & Services ❖ Massachusetts College of Liberal Arts

In order to participate in the Summer Student Housing Program, you must be enrolled in summer classes and/or an academic internship. Employment (on or off-campus) alone, with limited exceptions, is not sufficient to participate in the Program.

Due to the constraints of summer programs, summer conferences and construction projects, we will not be offering a pre-program or post-program this summer. Students will need to move out of the residence areas no later than Monday, May 11th and return to campus for the Summer Student Housing Program no earlier than Monday, May 25th. Likewise, students will need to vacate their summer assignment no later than Saturday, August 15th and not return for fall check-in until Monday, September 7th.

Storage for student belongings is not available before or after the Summer Student Housing Program. All belongings must be brought home or stored elsewhere. A listing of local storage facilities is available at the RPS office in Townhouse #89.

Name:_____ Campus Tel. #:_____

"A" Number:_____ Cell Phone #:_____
