FINANCIAL AID

Students are awarded financial aid according to need. Applicants who meet the College's published financial aid deadlines will receive priority consideration. Although financial aid programs operate under specific federal and state guidelines, every effort is made to consider each student's particular family financial situation.

To apply for financial aid, complete a paper Free Application for Federal Student Aid (FAFSA) or apply online at www.FAFSA.ed.gov. In addition to the FAFSA, a Massachusetts College of Liberal Arts Application for Financial Aid must be submitted to the College's Financial Aid Office. A signed copy of the family's prior year Federal Income Tax Returns may be required for verification purposes. Consideration of eligibility for financial aid is made when these documents have been received and the student has been accepted to the College.

Typically, a financial aid award is a "package" combining grant, loan, and part-time employment assistance. For information regarding financial aid loans, grants, scholarships, or work study programs, please refer to the Financial Aid Handbook or contact the Financial Aid Office.
