MELANIE DAVIS

RUNNING FOR SGA COORDINATING VICE PRESIDENT

Hi! My name is Melanie Davis, I am a double major in Performing Arts: Theatre and Elementary Education! I am currently a junior on campus and work as a Student Admissions Ambassador. I love working with all sorts of different people and running clubs on campus. I am currently involved with the Volunteer Center, Christian Fellowship, Beta Lambda, SAC, Pillars Community Enhancement club, and was Co-President of Harlequin last year. I can't wait to get involved in SGA!

NOAH HENKENIUS

RUNNING FOR SGA EXECUTIVE VICE PRESIDENT

My name is Noah Henkenius and I am running for Executive Vice President of SGA. As a senior my goal is ultimately to promote as much positive change on campus in as short amount of time as possible. My background and current experience is in wildlife biology and field ornithology. I am very interested in promoting more sustainable practices on campus and overall making our campus more friendly to wildlife. Some of my ideas include putting bird feeders in the townhouses and promoting bird decals on windows to mitigate window collisions.

JUSTIN DANIELS

RUNNING FOR STUDENT TRUSTEE

Hi everybody, my name is Justin Daniels and I am currently a junior at Mcla. I am a business administration major. I am running for student trustee. If I am elected Student Trustee, my goal is to be available to all students. I want to be the Trustee that anybody can feel comfortable communicating positive/negative complaints and concerns in order to try to implement changes that benefits the entire student body on campus. If elected, when I show up as the Trustee, WE are ALL showing up. .

EDGAR PEREZ

RUNNING FOR STUDENT TRUSTEE

Hello everyone, I'm Edgar Perez and I would like to become the MCLA student trustee for this academic year. Last year I served as the class Council president and as a planning chair on the SAC E-board, and I also was a general member of the BSU (which are all things I hope to do again this year). I am a triple major in English, Communications, and Theater with a minor in American Ethnic Studies. I am a person who likes to really get involved around campus and whom does his best to get to know everyone. I want to work alongside SGA in order to make this school a better place and to make sure that the student voices on and off campus are heard. If you see me around campus or would like to just talk please reach out, I am always happy to meet new people! I really hope you would all consider me for this position.

IAN CROMBIE

RUNNING FOR SGA RESIDENT SENATOR S

Hello, my name is Ian Crombie and I am currently a Sophomore here at MCLA. I go by He/Him/His pronouns and I'm an Arts Management major with an Art minor. I am currently a part of many groups on campus, including QSU where I am the Vice President, and DEI. I am running for Resident Seat, and would love your support. I describe myself as a sociable and determined person who loves to support others, and I would love to represent you on the SGA Senate this semester!

CALLISTA MOTTA

RUNNING FOR SENATOR AT-LARGE

My name is Callista Motta, but most people just call me Callie or Cal. My pronouns are she/her/hers and my major is Political Science. In high school, I was involved in the Model legislature, where we wrote our own bills and proposed them to the senate. I also was captain of the debate team and won several awards with the Rhode Island Forensic League. I want to go to law school after getting my political science degree and eventually run for state senate in my home state of RI. I am a democrat and focus mostly on the environment and equality. I believe that by getting involved with SGA I can not only help myself grow as a politically minded person but also do a lot of good for this school. I don't hesitate to ask questions or add my opinion, so I would be very much involved. I have been told that I have a good work ethic and will dedicate any free time I have to my position in the SGA. I want to be as involved as possible in any way I can. The SGA works with just about every area of campus and I will do everything I can to educate myself on the matters involved. I am also open to ideas, so anyone that wants their voice heard or has a question is welcome to talk to me. My school never had a student government, but I did what I could to help better my school. I helped with fundraisers and encouraged others to get involved as well. I'm a good public speaker and won't hesitate to give a speech when necessary. I am also willing to speak for others if they are too shy. I encourage others to share their ideas but would never make them too uncomfortable. This is what I'm good at, and once I'm shown the ropes I truly think that by getting involved with the SGA I can make an impact that will last.

KAYTLYN YOUNG

RUNNING FOR SENATOR AT-LARGE

My name is Kayty A. Young. I am a history major and I intend to double major in political science. I grew up in Shelburne, Vermont, just outside of Burlington. With an interest in politics and a passion for advocacy, I will be running for the senate seat. I describe myself as a personable person, and I will listen to the student body and bring their voices to the table. I was on student council in my senior year of high school, and I have traveled to the Vermont capitol to speak on behalf of state bills that were later passed. I am excited to run for this position and potentially represent my peers in the senate.

MCLA

ALEXANDER HOLCOMB

RUNNING FOR CLASS 2024 PRESIDENT

Hello fellow members of the Class of 2024. My name is Alexander Holcomb, but you can just call me Alex. I am a 18 year old freshman from Hartford, NY. In Hartford I live with my mom, dad, two sisters, and two brothers. I also have two cats named Winn-Dixie (just like the movie) and Maverick. In my free time I enjoy playing games, sports, and making new friends. In fact, that is one thing that I look forward to most at MCLA; making new connections. I am attending MCLA to pursue a degree in psychology with the hopes of becoming a child/adolescent psychiatrist one day. Some of you may be asking why I am running for Class Council. I am running for Class Council because I believe in the power of voice. I also believe that sometimes we are scared to use our voice because we fear what others will think of us if we speak up. If I am elected to the Class Council I will make it my priority to hear out the opinions of those who are scared to express their opinions. I'm not promising to be perfect at the job, but I am promising that I will do my best to be a radiant voice for our class. I thank you for your time and consideration and please feel free to stop and talk to me at anytime!

MCKAYLA NIEVES

RUNNING FOR CLASS 2024 VICE PRESIDENT

Hello, Class of 2024, My name is McKayla Nieves. I am from the city of Methuen, Massachusetts. I am currently a freshman at MCLA. I will be majoring in Biology with a Pre-Vet focus and a minor in Environmental studies. I am also a dual-sport student-athlete. I participate in Lacrosse and Basketball. I also plan to be apart of the Biology Club and the Environuts Club. Back at home, I spent my free time working part-time as a Dietary aide at Lawrence General Hospital, and I volunteered at various animal shelters in my area.

Suppose you will choose me to be VP for the 2024 Student Council. I will work diligently to build a more unified community and promote diversity in the council. As a Puerto Rican woman, I believe that I could bring new ideas to the community. My hopes are that the SGA will reflect the unique relationships that the Student Council has with the rest of the MCLA community and actively search for ways to make our time here over the next four years more meaningful and enjoyable.
