AGREEMENT FOR ARTICULATION OF ACADEMIC PROGRAMS
Between
BERKSHIRE COMMUNITY COLLEGE
And
THE MASSACHUSETTS COLLEGE OF LIBERAL ARTS
Fall 2008

The above institutions hereby enter into an agreement to facilitate the transfer of students enrolled in Berkshire Community College’s Associate of Science degree program in Environmental Science into the Bachelor of Arts degree program in Environmental Studies at Massachusetts College of Liberal Arts.

MCLA APPROVAL

Ann Billetz
Dr. Charles W. Kaminski
Chairperson: Biology
Assistant Dean of Business, Science, Math, and Technology
OBJECTIVES OF THIS AGREEMENT

1. To attract qualified students to Berkshire Community College and Massachusetts College of Liberal Arts.

2. To promote and facilitate an efficient transition of students from Berkshire Community College into junior status in the B.A. degree program in Environmental Studies at Massachusetts College of Liberal Arts.

3. To provide specific information and guidelines for transfer students.

4. To encourage academic coordination and cooperation, including program requirements, course reviews, on-site visitation and joint academic advising for students attending Berkshire Community College.

5. To provide a framework for the exchange of information to monitor the success of this agreement.

STIPULATIONS OF THIS AGREEMENT:

1. This agreement will apply to Berkshire Community College students who have completed the Associate of Science degree in Environmental Science while following the attached prescribed outline of courses.

2. Massachusetts College of Liberal Arts guarantees acceptance of Berkshire Community College students who complete the Associate of Science degree programs outlined in this document with an overall GPA of 2.5. All criteria and benefits of the Massachusetts Joint Admissions Program will apply.

3. Transfer students designated above will be accepted into junior status at Massachusetts College of Liberal Arts. Students may be required to meet additional core curriculum requirements, including the Tier III Capstone requirement.

4. Students transferring to MCLA from two-year colleges must complete all courses requirements for the academic major.
MUTUAL RESPONSIBILITIES:

1. Both institutions agree to maintain current listings of the course equivalencies. This will be the responsibility of the two designated representatives.

2. The Berkshire Community College Transfer Counselor will be responsible for assisting the transfer applicant in compiling the required credentials for application, which shall include the Intent to Enroll Form and the college transcript.

3. Transfer applicants applying under this program shall be eligible for the same financial aid and housing consideration as other entering students.

ASSISTANCE PROVISIONS

1. Berkshire Community College and Massachusetts College of Liberal Arts will incorporate a summary of this agreement into official publications and web sites.

2. Berkshire Community College and Massachusetts College of Liberal Arts both agree to encourage qualified students to participate in this program by providing advising, information, and such other assistance required to assure that an easy transition from the two-year institution to the four-year institution will occur.

REVIEW/REVISION PROVISIONS:

1. Review of the contents or implementation of this agreement will occur whenever requested by either party through the designated representatives. Substantive changes in the courses or program of either institution will evoke review processes. Revisions must be mutually agreed upon, with one year notice prior to termination of the agreement.
### Program Requirements 39 credits

**Choose one of the following sequences:**
- BIO 111 Botany 4
- BIO 112 Zoology 4

**Or**
- BIO 101 General Biology I 4
- BIO 102 General Biology II 4
- BIO 109 Introductory Ecology I 4
- CIS 102 Fundamental Computer Literacy 4
- ENVI 101 Conservation Natural Resources I or ENVI 102 Conservation Natural Resources II 4
- ENVI 121 Intro to Environmental Science I 3

**Science Electives** 12
**Free Elective** 4

### General Education 26 credits

**COM** Communication 3
**ENG** English Composition/Writing 6
**MAT** Mathematics 3

**Humanities and Fine Arts** 3
**CHM 101 Introductory Chemistry I** 4
**CHM 102 Introductory Chemistry II** 4
**Behavioral and Social Science** 3

**Total BCC Credits** 65

### MCLA Equivalent

- BIO 235 Botany
- BIO 245 Zoology

*Note: Completion of this sequence will waive the MCLA BIOL 150 requirement for the major.*

- BIOL 150 Foundations of Biology
- TRBI 100 Biology Elective

- BIOL 195 Topics in Biology: Ecology
- CCCL 100 Computing and Communication
- ENVI 150 Intro to Environmental Systems
- ENVI 152 Environmental Resources Science and Management
- ENVI 250 Special Topics in Environmental Studies

**Science Electives**
**Free Elective**

**Total credits accepted to MCLA** 65
Courses to be completed at MCLA
