A MESSAGE FROM MCLA HEALTH SERVICES

Welcome to MCLA! The Health Services staff would like to congratulate you on your acceptance and wish you a rewarding and successful academic year.

As you are now part of the MCLA family, it is our goal to provide you with the best care possible, so we are asking you to review and sign the Health Information Use and Disclosure form that is included in this packet for download. This release form will allow MCLA Health Services the ability to access your hospital records should you require emergency care from one of the local hospitals. This release complies with HIPPA guidelines, while allowing us to provide you with the highest possible care and assist you in any follow-up care required. Please note this information is maintained in the strictest confidence and will only be used as needed.

All new students **taking 9 or more credits and who are under 30 years of age** are required to complete Health Services forms and requirements before attending classes. *If you are a Health Science major, you are required to complete Health Services forms and requirements regardless of age or credits.* The required Health Form is enclosed and is also conveniently located on the MCLA Health Services website. In addition to the Health Form, please have your primary care provider attach a copy of your most recent physical examination. All students must also complete and sign the **TB Risk Assessment form.**

MCLA no longer requires COVID-19 vaccinations (or proof of vaccination) for employees, students, or visitors. It is strongly encouraged that all students be fully vaccinated for COVID-19 and remain up to date on COVID-19 vaccinations.

For students joining us from international regions please note that you are required to have TB testing. Either T-Spot or IGRA (Tuberculin) testing is accepted. Please include those results with your immunization record.

**These forms are due no later than August 9th for fall semester enrollment and January 8th for spring semester enrollment.** Massachusetts law requires immunization documentation to be on file in the health services office for students attending MCLA no later than two weeks prior to the start of the semester.

If we do not receive your Health Forms by August 9th you will not be allowed to move on to campus or attend classes.

Again, welcome to MCLA! Health Services is here to support you and we look forward to meeting you. Please do not hesitate to contact us with any questions or concerns at 413-662-5421.

Sincerely,

MCLA Health Services Staff
HEALTH RECORDS REQUIRED BY MCLA AND THE COMMONWEALTH OF MASSACHUSETTS

The Commonwealth of Massachusetts General Laws (Ch. 76 s 15) state that every full-time (9 or more credits) undergraduate or graduate student under age 30 and ALL Health Science students regardless of age and credits taken must comply with the following regulations before attending classes. If you are over 30 years of age and are NOT a Health Science major, you do not need to submit any immunization documentation or health forms.

VACCINE VERIFICATION – The following documentation of immunizations with appropriate dates are required by the Commonwealth of Massachusetts:

- 2 doses of measles, mumps, and rubella (MMR) or laboratory evidence of immunity.
- 2 doses of varicella vaccine or laboratory evidence of immunity or documentation by a health care provider stating that the student has a reliable history of chickenpox with the month and year documented.
- 1 dose of Tetanus, diphtheria, pertussis-Tdap within 10 years.
- 3 doses of Hepatitis B vaccine or laboratory evidence of immunity.
- 1 dose of meningitis ACWY (formerly MCV4) vaccine for students 21 years of age or younger. The dose must have been received on or after the student’s 16th birthday. The Law provides exemption for meningococcal vaccine only for students signing a waiver that can be reviewed and downloaded from the Health Services web page.
- T-spot or IGRA test - **REQUIRED FOR INTERNATIONAL STUDENTS ONLY**

PHYSICAL EXAMINATION

- A current physical is requested for all students attending MCLA.
- A current physical done within 6 months of the first day of practice is required for all MCLA Student Athletes.

HEALTH FORM

- The front portion of the Health Form is to be completed by the student and must include all information requested.
- The back portion of the Health Form includes record of physical exam and immunizations. This must be completed, signed, and dated by a health care provider.

OTHER FORMS

- The Health Information Use & Disclosure Form must be reviewed and signed.
- The TB Risk Assessment Form must be completed and signed.

Students seeking exemption must provide the appropriate written documentation that they meet the standards for a medical or religious exemption set forth in MGL c 76 s 15C and 15D before attending classes.

Students who have previously discontinued enrollment and are being re-admitted must contact Health Services at (413) 662-5421 to determine the status of previous records.

Health Information Use and Disclosure

Student Name: __________________________
Date of Birth: __________________________

This form authorizes the use and disclosure of individually identifiable health information to Massachusetts College of Liberal Arts Student Wellness Center.

The Student Wellness Center at Massachusetts College of Liberal Arts, which I consider my Primary Care Provider, utilizes an electronic medical record-keeping system (EMR) in affiliation with other health care providers. This system allows the Student Wellness Center and any health care providers to access different components of any patient’s “chart” and also provide up-to-date information to any provider who might see patients on an emergency basis and/or when the Student Wellness Center is closed. The Student Wellness Center also can promptly access test results as they are completed, bypassing clerical turnaround times. EMR is a welcome addition to the Student Wellness Center as they strive to provide efficient, comprehensive healthcare to our students.

1. I authorize the use and/or disclosure of the above-named individual’s health information as described below.

2. My health information will be shared only between the Student Wellness Center and other health care providers to facilitate continuity of care in the event I require treatment. It also will be available to affiliated specialists if I should require their services. This also will enable the Student Wellness Center to access my test results (laboratory tests, X-rays, cultures, etc.) in a timely manner to expedite my care.

3. I understand that the information in my health record may include information regarding the use of drug and alcohol treatment services, HIV/AIDS treatment, mental health services, reproductive health services, and treatment for sexually transmitted disease. This information is confidential and solely for the Student Wellness Center and will in no way affect the student’s college standing. Medical information will not be released from the Student Wellness Center to the college without my consent unless the information gathered would lead the Student Wellness Center to suspect that I was either a danger to myself or other members of the college community.

4. I understand that this authorization is subject to revocation at any time. I understand that if I revoke this authorization, I must do so in writing and present my written revocation to any other health care provider’s medical records department. Unless otherwise revoked, this authorization will expire on June 15th each calendar year and I will need to sign a new authorization for the following school year.
