 - a. For the original \$654,699 funding under CARES Act Section 18004(a)(1), students were asked to apply for funding through an application process. That process is described in prior quarterly reporting. Students also received block grants determined through a student's estimated family contribution (EFC).
 - b. For HEERF II funding received through the CARES Appropriations Act (CRRSAA), students received funding based on a student's 2020-2021 Expected Family Contribution (EFC). Part-time students received a pro-rated amount with students enrolled for 1-5 credits receiving 25% of their EFCs ranges award; students enrolled for 6-8 credits receiving 50%, and students enrolled for 9-11 credits receiving 75%. Students were marked as ineligible if they had select discipline items.

Block Grant Awards for full-time students were determined as follows:

Part-time students were pro-rated as they were in the original block award allocation. In total, eight students received \$5; two students received \$4; three students received \$3; one student received \$2; and seven students received \$1.

*One student did not cash their disbursement check; this funding will be carried forward to '21-22 year.

- C. For HEERF III funding received through the American Rescue Plan (ARP) Act of 2021, HEERF emergency financial aid grants have been awarded based on a student's 2020-2021 (summer) and 2021-2022 (fall) Expected Family Contribution (EFC).
